Advance Beneficiary Notice of Noncoverage (ABN) Additional Information

The beneficiary, or his or her representative, must choose only one of the three options listed. Medicare and/or Medicaid does not permit you to make this selection. (However, home health agencies caring for dual eligible may direct beneficiaries on option selection in accordance with State directives. For more information see [http://www.cms.gov/Outreach – and-Education/Medicare and/or Medicaid-Learning-Network-MLN/MLNMattersArticles/Downloads/MM8597.pdf](http://www.cms.gov/Outreach-and-Education/Medicare-and-or-Medicaid-Learning-Network-MLN/MLNMattersArticles/Downloads/MM8597.pdf))

If the beneficiary chooses Option 1:

The beneficiary wants to get the item or services at issue and accepts financial responsibility. He or she agrees to make payment now, if required. **You must submit a claim to Medicare and/or Medicaid that will result in a payment decision that the beneficiary can appeal.**

NOTE: if the beneficiary needs a Medicare and/or Medicaid claim denial for a secondary insurance plan to cover the service, the beneficiary should select Option 1.

If the beneficiary chooses Option 2:

The beneficiary wants to get the item or services at issue and accepts financial responsibility. He or she agrees to make payment now, if required. When the beneficiary chooses this option, you do not file a claim, and there are no appeal rights.

You will not violate mandatory claims submission rules under Section 1848 of the Social Security Act (the Act) when you do not submit a claim to Medicare and/or Medicaid at the beneficiary's written request.

If the beneficiary chooses Option 3:

The beneficiary does not want the care in question and cannot be charged for any items or services listed. You do not file a claim, and there are no appeal rights.

Additional Information:

You may use this space to provide additional clarification or information that may be useful to the beneficiary. For example:

- A statement advising the beneficiary to notify his or her health care provider about certain services ordered but not received.
- An additional dated witness signature; or
- Other necessary annotations.

Medicare and/or Medicaid assumes you made annotations on the same date as that appearing with the beneficiary's signature unless you include a separate date with the annotation.

Signature and Date Box:

Once the beneficiary reviews and understands the information contained in the ABN, the beneficiary, or his or her representative, should complete the Signature and Date box.

Signature

The beneficiary, or the beneficiary's representative, must sign the ABN to indicate he or she got the ABN and understands its contents. If a representative signs, he or she should indicate "representative" after his or her signature and print the name if it isn't legible.

Date

The beneficiary, or the beneficiary's representative, must write the date he or she signed the ABN. If the beneficiary experiences physical difficulty writing and requests assistance in completing this box, the notifier may insert date.

Beneficiary Refuses to Complete or Sign the ABN

If the beneficiary refuses to choose an option or refuses to sign the ABN, you should annotate the original copy of the ABN indicating the refusal to sign or choose an option. You may list any witnesses to the refusal on the ABN, although Medicare and/or Medicaid does not require this. If a beneficiary refuses to sign a properly issued ABN, you should consider not furnishing the item or service unless the consequences (health and safety of the beneficiary or civil liability in case of harm) prevent this option.
